

Alton Park Junior School

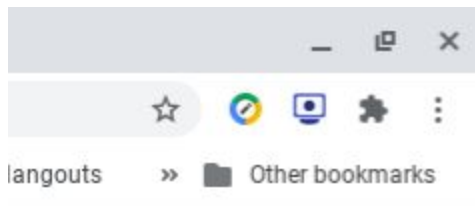

Remote Learning Procedures

Resources available at home

Study Materials and other resources available
Recorded lessons

Study Material - School provides paper study packs to be collected or sent home.
School uploads study materials to the students via Google Classroom.
Students have access to other online resources E.g. Purple Mash, Time Table
Rockstars all accessed via the Wonde Dashboard

Recorded lessons - Lesson can be recorded by staff members using the Screen Recorder
Google extension seen below as a blue TV screen

Staff can then upload these lessons to a secure platform E.g Google classroom

Live Lessons - These use Google meet app that resides in the students Google Classroom and follows the Sigma remote learning policy

Student device access from home

Parents\Guardians personal devices
DFE Chromebooks issued to identified students
Amazon Kindle Fire tablets issued to identified students
Schools Chromebooks to be loaned out currently 60

Staff and Student Training

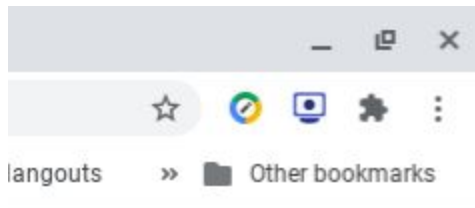

Google Filestream
Recorded lessons
Google Classroom

Google Filestream

All staff have Google Filestream which creates a G drive in their file explorer. There are 2 folders under G drive, My Drive and Shared drives. My Drive is for all documents specific to them and Shared drives are for documents shared between a team

Recording of lessons

Lesson can be recorded by staff members using the Screen Recorder Google extension seen below as a blue TV screen

1. Click on the blue monitor “Screen Recorder”
2. Select Screen to record your Screen or Camera to record yourself
3. Select Microphone if you are going to narrate over the presentation
4. You then have the option of sharing your entire screen or just the application
5. Start recording
6. Stop Recording
7. Save which will download the video
8. Navigate to the file by selecting show in folder
9. Copy video to your Google drive.
10. Staff can then upload these lessons to a secure platform E.g Google Classroom

Our blended curriculum

	Curriculum Area	Focus	Aim
	Maths	WR scheme of work	Face to face and online curriculum are aligned
		WR video lessons used at least weekly	Pupils are familiar with online format. Videos used for lesson introductions and tasks set using White Rose Resources. Supplemental activities from CGP workbooks.
		NCETM daily lesson videos	Exemplify mastery approach and a potential lesson series for remote learning
	English	Purple Mash - Serial Mash reading comprehension	Pupils are familiar with the format as it was used in lockdown and will be used weekly in class.
		Writing sequence will be in 3 or 4 week units	Will be delivered in class and recorded and embedded in Google Classroom. Google classroom will be used in class. Further tasks set through CGP workbooks.
	Science	Oak National Academy aligns well with our medium term plan	Use video lessons to switch to online learning where needed.
	History and Geography	Align with Oak National Academy where appropriate	Can switch to a unit of ONA if required
	MFL	Language Angels Scheme being bought in to 'kick start French and Spanish teaching	Provides online resources including videos, activities and vocab sheets which can be shared through Google Classroom if required
	Art	Kapow units followed in whole class teaching	These resources and lesson outlines transfer well to Google Classroom, so will align with medium term planning
	DT	Kapow units followed in whole class teaching	These resources and lesson outlines transfer well to Google Classroom, so will align with medium term planning
