Dear Parents/Carers

## Essex Music Service Lessons are coming back into school!

We are very pleased to announce that Essex Music Hub are now able to return to Alton Park to continue with 1-1 guitar lessons.

Violin lessons are now also available at the school for children who would like to learn.

The lessons are provided by high quality tutors supplied by Essex Music Services. If you are interested in your child having lessons in either Guitar or Violin in school, please request this by [clicking here](#). (Select the instrument you would like, the lesson length and then enter your child's details.)

This will only need to be completed once, and tuition will continue each term unless you choose otherwise. Many parents have used the same online system for instrument hire, registering for county music courses, and for music tuition discount vouchers, and on average the sign-up process takes less than three minutes.

The cost of lessons will be displayed on the Hub site but we do know that **discounts** are made available to low income families and Looked After children who are currently in care. Please visit the Essex Music Hub website for information on [Tuition Discounts](#) where you can apply.

## Instrument Loans

The school is able to loan an instrument for the duration of the course subject to availability or, alternatively, the Music Hub offers affordable [Instrument Hire](#).

[Click here](#) for further details about other lessons provided by Essex Music Services.

**Payment:** Once the School has confirmed your request on the Hub's website, you will be invoiced by Essex Music Services by email in advance for the term.

Lessons are due to start soon so please register your interest with Essex Music Hub now. If you need any assistance, the school office will be happy to help but please raise any questions about this music service with the Hub in the first instance.

Yours sincerely
