

Year 6 homework menu

Autumn 1

There are 9 activities here relating to this half-term's learning in school. You can present the tasks in any way you wish. Choose one a week to complete and bring them all in on **Monday 18th October.** If you want to do more, we'd love to see them! Remember to read and learn your tables and your spellings, too!

Make sure you know your 6, 7 and 8 times tables off by heart in random order.	Draw your own one point perspective picture of a railway, road or tunnel.	Find out about Anne Frank and present your findings however you like (writing, drawing, ICT).
Watch an episode of Newsround and write a newspaper report about one of the items. Choose a fantastic headline!	Read a book and then write your own blurb, persuading others to buy and read it. Don't give the whole plot away!	Look at propaganda posters from World War II and either copy one or create one of your own.
Persuade your family to take you to the Martello tower in Jaywick and find out about its history.	Go for a walk and look for signs of autumn.	Learn some Japanese or Italian words (other Axis countries during the War).
